Who will win the WORLD CUP? ?

Raijin - July 9, 2026, 4:43 pm

That is tough to say. There are only 7 teams left as of now.

I really hope Spain wins it, but Argentina are really good too.

It's Argentina considering how compact their team is and they also have lot of attackers the likes of Messi , Gonzalo, Alvarez , Lautaro Martinez . I don't see Spain stopping them .
