Thread: [Magic's Middleman Service \[5%\]](#)

.Magic - July 9, 2026, 11:54 pm

Hey, my name is Magic. I've been on HF for over 10 years now, done many deals totalling over \$100,000 at least. Most of the time I've been an exchanger, still am. Would love to give back to the community by providing a trusted middleman service, where you can be confident your deal goes through with no issues.

Rate: 5%, Any Amount.
\$10 Minimum Fee.

I will only be holding crypto. You will be adding the fee to the total amount when the money is being sent.

Due to risk of scams I will only be dealing on-site and through telegram, MAKE SURE you verify it's MY telegram by requesting a message from me on-site with either my telegram or a screenshot of our conversation.

You must include my user id in the contract where it asks for a middleman.

My ONLY Telegram: <https://t.me/magic7ball>

Terms:

1. The fee is non-refundable, if for some reason the deal doesn't go through or a party backs out mid deal, the fee will not be returned.
2. I ONLY hold crypto, never PayPal or any other service.
3. I am not liable for anything that may happen after the deal is complete. For example, an account being banned. After the deal is done, it's done.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
