(Jun 28, 2025 12:28 PM)Kingdom Wrote: [\[CITE\]](#) Hi folks,

I recently used the services of a designer [2011](#) and would like to share my honest review of their work.

The designer is calm and professional. They fully understood my needs and delivered exactly what I wanted.

Even though I had several changes, the designer patiently made adjustments according to my requests.

I am completely satisfied with the services provided and would give them a perfect 10 out of 10.

Thank you!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
