Thread: [It's my birthday and Returning to HF, what's new?](#)

Camf ? - July 13, 2026, 8:48 am

Hey guys, my birthday was yesterday. HF was such a massive part of growing up, giving me community and teaching me skills at such a young age that have paid off greatly. Where are my OGs at? Any July birthdays?

Happy Birthday, better late than never!

How old are you now, Sir? I would guess, around 30 or thereabout. Your whole life is ahead of you.
