Thread: [Crystal Lake | Official Teaser](#)

A prequel to the Friday the 13th franchise, the series follows single mother Pam Voorhees who has been unable to shake her grief after her young, sickly son Jason tragically drowned in the town lake almost a year before. When two strangers arrive at Pam's door digging into her past, a disturbing chain of events are set into motion, leaving the townspeople of Crystal Lake wondering: just who is Pam Voorhees?

Cannot wait to watch it.

I heard they were making this a year ago or so then completely forgot. Started seeing the trailer for it pop up last night. I'm really looking forward to this. I'm hoping it's as good as Welcome to Derry was.

A24 is behind the production, so I'm not worried about the quality and production.

Super excited for this! I think Linda will make an excellent Mrs Voorhees! I love the fact that they're making more horror series.
