Thread: [Glitch with Infamous](#)

neightworks. - July 14, 2026, 5:38 am

There seems to be a bug that won't let me apply via usercp, has anyone else experienced this?

I don't believe this is a glitch, just a statement.

I think you set up the glitch before you sold it and the current owner doesn't know it's been compromised

If Omni knew you planted these kinds of seeds before selling off your group he would have never let you back.

I might be wrong, but I think your glitch is that you're blacklisted

Thought didn't even cross my mind, no one would blacklist me.

Ignore that I was one of the owners of blacklisted.
