Thread: [Paying 500 Bytes. I need an Amazon Review for my Book on Amazon.com](#)

grahammiranda13 - July 19, 2026, 7:23 am

Hey,

I need a favor.

I have Amazon Books on KDP published 3 months ago but have zero reviews. I need your help!

The books are free so if you just need to buy it (for \$0.00) and review it (5 stars) and i will send you 500 bytes.

Your amazon account cannot be fake. It has to have a purchase of at least \$50 over the past year otherwise you cant write reviews.

A screenshot is fine
