Aw I hate to see that Scamley takes more bytes than giving out on the flip game. Sad to see [HerrWinston](#) and [Mr.Cat](#) losing those bytes.

You guys should have invested it on Crypto Game or better cash it out and sell them before losing them all. But then again, all important is you have enjoyed the game. Hoping you will win more bytes in the coming days.

yeah but still 80\$ is nothing even for that... now if i was in herr position with 400, yeah that would be a bit different
