Just hit L33t! Celebrating with a \$10 Upgrade Giveaway :party:

Hey everyone,

To celebrate my leet upgrade and give back a little bit to the community, I'm doing a quick \$10 crypto giveaway for someone looking to upgrade their account or grab an upgrade.

How to enter:

comment whats the coolest thing u saw on internet till date

give max pop

One entry per member.

Details:

Ending: I'll roll the random number generator and pick a winner.
ends on 2 august

Prize: \$10 equivalent in crypto.

Good luck, and happy posting!

Entering this awesome contest , the coolest thing i saw on internet was a video of spacex catching a falling rocket from the space thats was mind blowing

Deany - July 30, 2026, 12:28 pm

All requirements now done. Coolest thing I saw on the internet was Hack Forums :)

Beamers - July 30, 2026, 12:38 pm

Coolest thing I have ever seen online till date is the transformation that happened to the Internet itself.

Consecration - July 30, 2026, 2:02 pm

memes are the coolest thing i have seen till date.

Monero-chan - July 30, 2026, 10:20 pm

Congratulations on your upgrade.

The coolest thing on the internet for me is TempleOS. RIP Terry Davis

RangoWorld - *July 30, 2026, 11:21 pm*

All requirements have been completed. Congratulations on the Leet upgrade also

Charlie Sheen - *July 31, 2026, 1:11 am*

Contest over. He's a ban evading scammer.
