Hello, is this method the Jio promotional 18 month offer requiring an Indian sim activation?

Thanks

No idea what you talking about, but god bless.

Sold couple of accounts to people on Telegram, gonna assume they reached out through here since I haven't advertised anywhere else.
Everything seems to be working well for them, so come get an upgrade for cheap as dirt.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
