Scalable?

bebonzy09 - August 7, 2026, 11:40 am

What methods is available for withdrawal? Any KYC needed? Is it gambling or sweepstakes?

Interested... for \$8 that's not a bad price, just curious about those questions

You can withdraw in crypto, paypal, or bank/other options.

Not gambling related, or anything like that

Only \$8, make yourself a quick \$60 :).

It's a one time thing, scaling always brings a risk of getting your account/funds locked.

Seems simple enough, going to give this a try over the weekend and post back later with results. OP has been very helpful.

Did you end up trying it?

And have another \$45 or so that's pending, I need to wait a few days.

For the price he's selling for, I'd give it a try. You don't have much to lose!

Rewards are up to \$200 if more time is spent, however low effort will earn you a \$120 balance with a 2week withdrawl time.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
