(Aug 10, 2026 11:47 AM)bebonzy09 Wrote: [\[CITE\]](#) I've received a vouch copy for this email spamming method and tbh this method does 100% work. The main thing is being creative and having leads, if you have those, and the investment to send mails.. there's no way that you don't end up making money. This is a black-hat method so keep that in mind.. though you can still use this method for sending mails on white-hat services. The OP has showed me his own personal examples of his landing pages and proof that money was made with them.

This does require a waiting time of approximately 10-14 days, for the main part of the method. I'm going to be setting up later tonight and will update this post on my earnings. I'm 100% confident this would work as I've been around the internet marketing scene for 11+ years.. and I've seen similar things, but again it'll only work if you actually put in the time and creative effort. OP is also there to guide you, essentially a 1:1 mentorship.

Thank you for letting me review! One of the better methods I've seen on the forum, wish most of them were like this one.

I would love to grab a vouch copy, this is something i'd be very interested in. I can see myself using this for my side business. I have prior experience with making landing pages and basic email marketing.

I know I don't have the most rep on here but I am an OG member from 2011 and would leave my honest review and implement your strategies.

Thank you, and GLWS!

sayan164 - August 23, 2026, 11:08 pm

I'm into email marketing and earn decent money from it. I'd like to test this service, either through a paid demo or in exchange for an honest vouch. I'm fine with either option.

Hey legend, depends on what you mean with beginner. The way I explain it in my guide and guide you / mentor you through chat I'd say it is beginner friendly. I will help you with all and every questions, hold your hand, and make sure you succeed. Some of the people who got it really early have been working very slowly on it and still to this day I help them in detail. The guide is step by step, screenshots with information.

It's been some years since I've actually been back here on HF, from the OG days. And this guide would be amazing, would love a vouch copy if available!

Mosheihk - September 1, 2026, 7:05 am

I will be purchasing this within the coming days, posting here to return ! Looks very appealing OP

OtterLover - September 5, 2026, 7:09 am

It's interesting.

Occupato - *September 6, 2026, 10:03 am*

Is a vouch copy available for me? Anyway, GLWS.

Stanley - *September 21, 2026, 4:30 am*

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
