Big vouch for Velvet ?

Got a lifetime Plex TV subscription from her. Everything was set up quickly and is working perfectly. Smooth and easy deal, definitely recommended. ?

Received a vouch copy from [Velvet](#) for Plex Pass lifetime.

I can confirm the account has Plex Pass Lifetime. Basically we are getting our email associated with a long standing plex account which has a lifetime pass. We can make the account as our own afterwards by changing email/pass/2fa etc. It also comes with a year of warranty so at this price, its a great deal.

Regards.

Solid service. Opened a contract, had a personal plex account with lifetime pass within 5 minutes. Highly recommend, this is shockingly good value for money.

I can also take Rewardable giftcards, which you can buy with any FIAT payment method, you might have to pay a few % more tho.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
