Thread: [Smugmug password protected gallery](#)

**onleply55** - August 17, 2026, 6:36 am

If anyone could help me access a password protected gallery on a Smugmug hosted website I would be so grateful thank you!

Passwords can be very hit or miss, so it's hard to guarantee anything without seeing it.

I don't remember what the rules were about posting links for things, but as for messages I believe you needed to chat on the forums a bit, something like reaching 10 posts. I don't quite recall, it has been a while since I looked at that stuff.
