i want a test, yu newbie here i need proofs

carlozzi958 - August 28, 2026, 2:48 pm

i am interested but what is the proof that this is working

Founder - September 29, 2026, 3:52 am

I received payment, worked for a week, and deleted the chat history. Scammer—don't buy from them!

I paid him for the control panel, worked on it for a week, but his website kept crashing. He asked for \$250 for a VPS, and then he disappeared and blocked me. If you message him from another account, he responds; if you tell him he's a scammer, he insults you in return.

geropel0 - October 13, 2026, 9:08 am

What is it for?
