Gotta give a big shout out to my man Snakesss. We had a nice chat and he hooked me up with a handful of things in game. Really chill and generous person. Thanks again and wish you the best!

I'm sorry - I like to collect things as apposed to coins in this game otherwise it would've been all 24k :[.

Real note though - You're genuinely welcome and sorry for the ones who scrolled past. Only gave south of a 3rd to Demon just from a simple PM.

Snooze ya loose ya goons.
