Thread: [AMAZON SES EMAL MARKETNG - DAILY LIMIT: 50,000 EMAILS](#)

Social Activity - August 22, 2026, 11:43 am

????????????????????

PRICE & AVAILABILITY

????????????????????

Price: \$600 USD per account

Sending quota: Up to 50,000 emails per day

Region availability must be confirmed before payment

Account credentials are delivered after payment confirmation

????????????????????

IMPORTANT INFORMATION

????????????????????

Each account is supplied with Amazon SES production access and a daily sending quota of up to 50,000 emails.

The buyer is responsible for their own verified domain, DNS records, sending software, recipient lists, email content, IP configuration and deliverability strategy.

All activity must comply with Amazon Web Services policies, applicable laws and email-sending regulations.

????????????????????

WHAT WE DO NOT PROVIDE

????????????????????

No inbox-placement guarantee

We provide verified Amazon SES 50K accounts only. Inbox placement depends on domain reputation, DNS authentication, email content, recipient engagement and other technical factors outside our control.

No test emails

All accounts must remain unused before purchase. For this reason, test emails and test campaigns are not permitted.

????????????????????

REFUND POLICY & TERMS

????????????????????

Once payment is completed, I will share the account login details, including the email address and password.

You must log in within 1 hour after receiving the credentials.

24-hour warranty.

You must confirm immediately whether the login was successful.

After you successfully log in, full responsibility for the account transfers to you.

Once a successful login has been completed, no refund or replacement will be provided, even if the account is restricted or closed within one hour.

I am an independent seller and am not affiliated with, endorsed by or employed by Amazon or Amazon Web Services.

I have no control over Amazon Web Services reviews, restrictions, suspensions or account closures.

The buyer is responsible for protecting the credentials and for all activity performed after delivery.

By completing the payment, the buyer confirms that these conditions have been read, understood and accepted.

If you do not fully accept these terms, please do not contact me to purchase.

????????????????????
PAYMENT METHODS
????????????????????

BTC — Bitcoin
USDT — TRC20

Cryptocurrency payments are final under the refund conditions stated above.

????????????????????
