Are you offering a vouch copy? I've used several off of this site claiming the same thing and it's never as advertised. Would love to try this out and use a service that actually works.

I've a primary thread for many years for similar products including few sales of these with quite an amount of vouches.

Thank you though.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
