SantoStefano - August 28, 2026, 1:29 am

?AUTOMATED SEED PHRASES PURCHASE BOT?

ONLY 12/24 word long SEED phrases are accepted.

????????????????????

?PAYMENT FOR 1 SEED PHRASE—2.5\$?

????????????????????

Advantages:

- ? Automatic cleanup of lines from unwanted data;
- ? Instant uniqueness check;
- ? Fast payouts.

Payment Requirements:

- ? The first transaction must have been made at least 60 days ago;
- ? The most recent transaction must have been made within the last 365 days;
- ? The total transaction volume of the wallet during this period must be at least \$20.

? Only genuine transactions involving tokens and TRX are considered. Addresses using MultiSig signatures are not considered valid, even if they meet the other requirements.

? Spam transactions and artificially generated activity are not counted.

? Transactions are checked only at Level 1 (first-degree depth).

?I accept any material, even if you have already sold it to other buyers or provided it to workers.?

???????? ? ???????
