Thread: [Get long term access to Telegram acc](#)

imrzan - August 29, 2026, 5:06 am

Hi, I would need to get long term access to a telegram account, possibly tiktok one. Any method can be used (number linked is syma mobile payed in cash). Phising probably won't work but can be tried, I know a way to get the person interested in the message sent to phish.

Please send me you offer if you are interested, I only pay in escrow with a middleman, tks

Were you able to find a suitable person? If so, could you please provide me with their contact information?
