How will you manage the chargebacks and dispute?

The service in question are virtual goods so it's harder for people to chargeback generally than a physical good. Many users are repeat customers so chargebacks are low as I build a good reputation and trust with the user. However in the case there is the odd asshole who chargebacks it'll have to be on me and I will refund out of my own pocket if it's already been withdrawn

SIGMA BOSS - September 3, 2026, 12:31 pm

PM me for it if u still need

CastorLT - September 25, 2026, 10:43 am

I have stripe account pm me

mignitr123 - October 7, 2026, 11:06 am

I have both: Stripe and Paypal account.
Do you do SMM?
