In college, we're going to have more freedom, but also more responsibility. So, enjoy the ride and have fun as you go through this new chapter.

Congrats on graduating and best of luck on your years ahead in college! I have no doubt your experience there will be better.

octanitrocubane - October 3, 2026, 11:15 am

Congrats, now you have another pain in the ass.

A bit late to the party but best of luck for the future and congrats on the achievement.

I wish the best to you mate.
