Thread: [Hey folks / I'm new here](#)

AntoKUrda - September 7, 2026, 1:41 am

Hi, I'm a beginner enthusiast, currently trying to learn and find new sources of information for self-education. That's actually why I'm registering on this forum to learn more and explore new topics ?

Guten Tag.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

Check out Beginner hacking if you're new, maybe tutorials if you're confident.
