Yeah you can also take the chance of winning the red Dicey award that is a random award granted to our Slots and Blackjack players. You can also try to work on the Sportsbook award, an Award Goal where you have to bet 100k Bytes in our Sportsbook in a 30 day period..

Shit I was one off a funny number either way you look at it.

Question, when you have multiple awards like you, do you get to customize the order? Or it just stays in the order you received them. I noticed some members have some very aesthetic award orders.
