Thread: [35% OFF: Fully Activated ChatGPT & GLM API Accounts | Ready for Integration](#)

Fugazee - September 18, 2026, 4:39 am

Looking for seamless, hassle-free API integration for your applications? I offer official, fully activated accounts with active subscriptions for ChatGPT and GLM at 35% below original market rates—engineered specifically for high-performance API calls with maximum stability.

? Why Choose These Accounts?

? Instant Access: Receive your credentials immediately upon purchase and plug the API key into your stack in seconds.

? 100% Official & Stable: Zero downtime, ensuring your web applications and bots run 24/7 without interruption or ban worries.

? Dedicated Support: Complete setup guidance to help you issue, secure, and configure your API keys correctly.

? Plans & Special Pricing (35% OFF Applied):

ChatGPT Pro Maximum Power API Account: \$75.60

Ready-to-use account with active subscription & full API access.

ChatGPT PLUS API Account: \$128.10 / Year

Full access optimized for smooth daily integration and reliable performance.

GLM API MAX PANEL Account: \$73.08

Official GLM access optimized for high-concurrency requests and scalable workloads.
