Thread: [Buying Mid-High Level OSRS Account](#)

**Miles Teller** - *September 18, 2026, 8:01 pm*

Looking to buy a mid to high level OSRS account. I don't really care what the bank value is or diaries/achievements, mostly just mid-high level skills and atleast a few of the annoying quests done.

Let me know what you got below!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley

I have an account that's just under 1400 total level and has ~160 quests completed. Has the easy and medium diaries complete as well. Regular account if you're interested, I'm the Og owner.
