I have been curious about services like this, what if I wanted to extend past 1 month? Would you be extending the pre-made account you sell me or would you be making a new one each month?

The accounts cannot be extended. I would give you a new account every month. But that is, if any method to get the subscription for cheap is still alive.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
