Should have listened to that advice.

Had 40 bytes, went to blackjack, now I have 0 bytes. Sad times

Deany - September 28, 2026, 2:30 pm

No stopping for me certified addict lol

drahcir - September 28, 2026, 2:52 pm

Haha, I got my first bytes, didnt know what it was and it told me I could play slots with it. They were gone real quick...

UnmarkedPad - September 28, 2026, 3:40 pm

Update, couple of members sent me 170 bytes. Thanks guys. Unfortunately I didn't win so I'm back at 0.

Aww better luck next time. I'm hoping to retire from a big byte win.

RiveR29 - September 29, 2026, 3:56 am

It is what it is my dude. Same here, now I have gotten myself up from the 0 but soon imma go back there :D

truefield - September 29, 2026, 6:23 am

Getting some more bytes would be cool if anyone wanna donate 250

?ystem - September 29, 2026, 12:18 pm

It's 40 bytes. Just be active and you will get more bytes.

HerrWinston - September 30, 2026, 12:46 pm

Next time all the losses will wash away and you get 10x back, that is the true gambling spirit!

DemonAsylum - October 1, 2026, 6:13 pm

On the bright side it looks like you're up to almost 3 times that now. Maybe time to go in for round 2 and get your get back? Assuming that wasn't what resulted in you having the bytes you do now of course lol.

Haha I'll definitely be trying my luck again. Don't worry, by the end of today I'll have as many bytes as you ?

Sift - October 2, 2026, 6:53 am

Just had a pretty nice win streak on blackjack.

Best of luck and even if you turned 100 or so bytes into like 10k I'd be thoroughly impressed haha.
