Thread: [Quick 30-second task: \\$3 \(1 spot\)](#)

SIM-5632523 - September 29, 2026, 5:28 pm

I'm looking for one person for a very short online task that takes about 30 seconds.

Requirements:

An active Gmail account

Your normal home or mobile internet connection (no VPN or proxy)

Details:

Pay: \$3, sent once the task is done

Full instructions are shared privately with the person selected

Nothing illegal, and no passwords or personal info needed

Reply or message me if you're interested. First suitable person gets it.

Fair concern, but no. I'm not collecting your IP, name or any personal info. It's a short online task, and the no-VPN rule is there because the website blocks VPN traffic, same as any normal website visit. You don't share anything with me.

Appreciate it, but I only need one real person with their own account, so I'll pass on bulk. Thanks though.

I'll do it for you. Send me the details.

If the spot is still available, I'm interested.

I have my own active Gmail account and a normal home connection, and I can complete the task promptly. Before proceeding, I would just like to review the exact instructions through HF.

I won't share credentials, recovery details or verification codes, but if the task doesn't require any of those, feel free to send me the information.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
