Thread: [The Only 8 Members That Can Achieve Their 6th Octoberfest Pumpkin Award! \(All Earned\)](#)

DemonAsylum - October 11, 2026, 2:23 pm

Last year at the start of Octoberfest I made a thread listing the members that had earned every Octoberfest pumpkin award up to that point (1 award each year from 2021-2024) and that could keep their streak of doing so alive by getting the 5th one for 2025. I am back again to do the same this year and last year's thread will be linked below incase you're interested.

<https://hackforums.net/showthread.php?tid=6309386>

Going into the event last year there were 12 members that had 4/4 pumpkin awards earned at the time. When the event came to an end there were only 9 members that got their 5th pumpkin award. 8 of the members earned it and the remaining 1 member [Bastille](#), ended up with it by another member purchasing it for them. This was possible as Omni for the first time ever last year offered members the option to buy the award instead of having to earn it like in previous years. I completely understand and have no problem with anyone that physically can't meet the posting requirements to earn it or would simply rather to buy the award. However, I think I'd prefer to have the list focused on the members that continue to only earn their Octoberfest pumpkin awards while keeping their streak alive. Here is the list of those 8 members that have done so with 5/5 pumpkin awards so far.

[Aeowulf](#)
[Deany](#)
[Jinu](#)
[Michael](#)
[oRequiem](#)
[Eran](#)
[Yanix](#)
[Yin Yang](#)

Congrats to these members on earning all 5 of the Octoberfest pumpkin awards from the last 5 years. Every year this list gets a bit smaller and I expect this year will be no different, even if it only does so by 1 member. We shall see come the end of this month. Best of luck to all of them that plan on trying to keep their streak alive by earning this year's award!

Oh I was about to make this thread you beat me to it

The recognition is definitely deserved and it's also generally just a cool thing for members to be able to follow along with. Good luck!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hopefully they will all be getting the 6th one.

Hern - October 12, 2026, 10:18 am

I wonder if there will ever be a time where only 1 person is left in future award years

Eran - October 12, 2026, 10:26 am

I'm getting that 6th one and finally a full row! :)

Jinu - October 12, 2026, 10:54 am

Can't let the streak end now haha. Gotta go for 6/6 this year. Good luck to everyone else trying to keep theirs going.

It's possible of course, but it would likely take many years. I'm pretty confident in at least a few of those names to be around here and locking in the award for years to come.

Looking forward to seeing it!

Don't that list of names get any shorter! Already seems like [Aeowulf](#) is going to be missing out so we don't need that happening to any of the rest of you.

oRequiem - October 12, 2026, 1:27 pm

Kinda late to it, but I'm back at it right now. Hopefully I can get it within the day.

Why would you hide awards ?

As only 300 posts, he may try. But we are already in the middle of the month.

I mean I started today and I'll be done today so it's definitely possible for him to grind it out real quick.

He hasn't been online since July 25th. Not sure why. Just hope he is all good. Unfortunately because he has been gone this long already, it's unlikely he'll return in time to get the award.

I just figure that since it's obvious he knows Octoberfest is a thing given he has been doing it for 5 years now, if he planned to get on and participate again, it probably would have been by now. Assuming he is doing all good which again hopefully is the case, he is probably just busier nowadays and or not too interested in being active on here currently. Either way, hopefully we see him return at some point in the future.

Oh_Well - October 14, 2026, 12:48 am

Good luck guys, I hope everyone gets it.
