Thread: [Octoberfest 2026 Has Begun! How Is Your Pumpkin Award Progress Going?](#)

DemonAsylum - October 11, 2026, 2:08 pm

We seem to have one of these award progress threads every year for the Octoberfest pumpkin and the event just officially began so lets run it back again. Feel free to occasionally share your award progress on here and chat with others about how Octoberfest is going so far.

Please try not to make LQ or repetitive posts. We don't need a ton of members constantly posting their progress every few percent and or asking other members over and over again what progress they're at. Lets use this thread as a place to occasionally share our progress and have some conversation with others that are participating in the event. Thanks and good luck everyone!

We'll see. It takes however long it takes. I'll be getting the award for sure though. Gotta keep stacking those pumpkins.

I just wish I had been more active and into posting as well as getting awards back when the first couple of Octoberfest events happened. It's nice seeing the pumpkins I have gotten since, but it sucks seeing the ones that I never got my hands on.

Yeah, I understand that.

Well, better have some than none, so no worries.

Agreed. I guess I could try to get Omni to sell them to me one day as well lol, but I'm not sure he would. I know he sold them to Sharn, but maybe that was a 1 time thing just for him. I also don't know if I'd want to have those bought ones alongside all of my actually earned ones. Wouldn't feel entirely right.

jcole - October 11, 2026, 2:27 pm

Sitting at 11% so far for the award goal.

Best of luck to you brotha. Time to get another award to add to your massive collection ?

Although I get it, you have 4 (3 pumpkin editions) already, quite nice as well.

4th one will look good too.

Bleh, just another pixel on my screen. Here to see some decent activity and new/old faces pop up.

Yeah I'll be curious to see the members that we see putting in some activity. This event always seems to get a few posting that normally don't as well as bring back a couple of members we haven't seen in a while.

I noticed you can't buy the pumpkin like you could last year.

I was lowkey hoping he went back to having it be earnable only. It was known that he was going to

do something more with Octoberfest as well (giveaway, sponsored, or whatever else) and so I figured that would make it more likely it went back to only being earnable. Glad to see that is the case.

That looks like the case this year. Good luck on your posts brother.

Thanks and you too.

Also it looks like he in fact will be allowing it to be purchased again.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

1% is 1% man, gotta start somewhere. Put in that grind and lock in that pumpkin award. I wish you and everyone else the best of luck!

Michael - October 12, 2026, 2:12 am

Currently at 10%.

Doing my best to grind.

Haha, you got to check sometimes though.

The Pact - October 12, 2026, 2:24 am

Yikes I'm only at ten percent. Now sure if I'll manage this one. But is it a red pumpkin or a white diamond? I'm confused.

It's a red pumpkin. If you see a white diamond then you need to clear your cache is all.

oRequiem - October 12, 2026, 1:32 pm

Just started so we'll see how it is by the end of the night.

You were right. Now I see the red pumpkin and I've gone down one percent.??? But why did I see the beautiful white diamond for Octoberfest 2026?

That's essentially a placeholder that is shown for new awards prior to your cache properly loading what it actually is. Hence why clearing your cache fixes it.
