Thread: [How Many Oktoberfest Pumpkin Awards Do You Have? Which One Is Your Favorite?](#)

DemonAsylum - October 11, 2026, 2:38 pm

Including from this year's event, there are now 6 unique Oktoberfest pumpkin awards that many members have various amounts of. Let everyone know how many you have and which is your favorite as well as why. I currently have 3 of those 6 unique pumpkin awards and my favorite is definitely from last year simply because of the way it looks. However, I'll also give a shoutout to the one from 2024 because it looks pretty cool as well as had the hardest requirements an Oktoberfest pumpkin award ever has, 600 posts and 30 threads.

Deany - October 11, 2026, 2:39 pm

The purple one looks pretty ballin to be honest!

Sift - October 11, 2026, 2:42 pm

None currently hopefully the first one this month.

Wish you the best of luck on getting your first one this year. The post amount requirement is honestly not too bad and especially compared to previous years. Tbf though the event is starting late. The thread requirement is honestly tough, but absolutely doable.

The hardest part is coming up with relatable and interesting discussions.

Yeah if you're trying to actually have your threads not be generic, previously covered, not just a sentence or two, and generally just having a bit more quality to them, they're fairly difficult. Mind you, not everyone that makes threads for this event will try to achieve those sort of things.

spiral - October 11, 2026, 2:56 pm

Maybe i will try get this one but 30 threads is wild

I have 4 currently. I think the gray one is my favorite that I own. Someday I need to work out a deal with Omni to get that Orange one on my profile. Pretty excited for this red one.

Prior to this red one maybe taking over, the gray one from last year is definitely my favorite. It just differs and stands out a bit more than the others as it isn't just a solid color.

Michael - October 11, 2026, 11:57 pm

You know we got to lock in this sixth one.

Oh_Well - October 12, 2026, 12:35 am

I only have one, but I think this year's red one is the best

I'm a big fan of this year's red one too. I'm still deciding if it's my new favorite over the gray one from last year.

Before today it was the Gray one from last year. I mainly like how it isn't a solid color. I feel like it just sticks out a little better. However then Omni just released this red one and I don't know, it's doing something to me. The OG one is great too though. I might simply be a little biased against it because I don't have it lmao.

Yanix - October 12, 2026, 1:12 am

I got the complete set and if I will be lucky to have this years award, I guess this one will be my favorite.

I'm looking forward to seeing you and the others with all of the pumpkins from previous years rocking a full row after you get this 6th one. It will be well deserved. I'll be a little jealous as well though, I wont lie ?

Yeah, definitely the red one is very nice.

Got to get these threads up.

Btw, do you know if the posts from begin of October also count?

It was retroactive to some degree at least, but there must have been some exceptions or it bugged somehow. Reason I say that is because I only got the award a few posts ago, but I'm at over 500 posts in the last month and I only posted 4 times in September. So 500+ posts during October, but the award tracked me as only just hitting 300 a few posts ago. Strange, but oh well.

All of them except the new one this year, working on it though. Favorite one is probably the new one actually.

Now you have that one as well, congrats! You should edit your award order and put them all together in a row ?

Yin Yang - October 14, 2026, 11:43 am

Pimping - October 15, 2026, 12:15 am
