Checking in with the DF. Hope you all have a good day today.

I suppose this is what we'll be seeing for the list or rather lack thereof on the Daily Flippers threads until convo is back up. No more scamming for Stanley until then.

He's on vacation spending all of the bytes he's stolen from the many members of HF. He'll be back though.

You know damn well he is spending every single byte and then some as well. He's sitting at -6 right now. Not a good sign for us as it makes it clear he's going to be back trying to recoup.

I saw this and thought Omni had done something so we could use this space to flip. I wasn't prepared to have what little I have robbed from me, yet.
