Having trouble with your Facebook or Meta assets? We provide specialized assistance across three services in one — recovery for Facebook accounts and Pages, Meta Ads account unban support, and Facebook Business Manager intelligence.

? 1. Facebook Page & Account Unban

Support for disabled, restricted, suspended, or inaccessible Facebook accounts and Pages.

We can assist with cases involving:

- Account restrictions
- Disabled Facebook accounts
- Restricted Pages
- Page publishing or access issues
- Other Facebook enforcement-related problems

? 2. Facebook / Meta Ads Account Unban

Having your advertising access restricted can bring your campaigns to a stop.

Our Meta Ads Account Recovery service is designed to assist with disabled or restricted advertising accounts and help you navigate the appropriate recovery process.

- Disabled / restricted Ads Accounts
- Advertising access issues
- Ad account review & recovery assistance
- Support with account-related restrictions
- Fast case handling

Typical TAT: 0–48 Hours, depending on the case.

? 3. Facebook BM Spy

Need deeper information on a Facebook Business Manager / competitor setup?

Our BM Spy service provides competitive and account-level intelligence to help you research how businesses are structured and operating on Meta.

Depending on the case, available information can include:

- Business Manager / portfolio insights
- Ad account information
- Pages connected to a business
- Advertising activity
- Campaign and creative research

- Competitor intelligence
- Other available Meta business insights

? One Service. Three Solutions.

Whether you need to recover your Facebook presence, restore advertising access, or research a Meta Business setup, you can handle all three through one service.

To get started, send us:

- ? Facebook Profile / Page URL or ID
- ? Meta Ads Account ID
- ? Business Manager / Business Portfolio details
- ? Any relevant restriction or suspension information

We'll review your requirements and let you know which service applies to your case.

Premium service • Fast response • Individual case handling
