Thread: [Instagram Username Claims | Generic & Non-Generic Usernames](#)

ease - October 1, 2026, 11:36 am

Looking for a specific Instagram username for your brand, project, or personal profile?

Our Instagram Username Claims Service helps you pursue both generic and non-generic usernames, including names that may already be associated with another account.

? Username Types

Generic Usernames

Short, common, descriptive, or highly sought-after names.

Non-Generic Usernames

Unique names, brand-style usernames, custom words, names, abbreviations, and other specific handles.

What We Offer

- ? Instagram username claim assistance
- ? Generic & non-generic username requests
- ? Short / clean username research
- ? Availability & account-status checking
- ? Case-by-case handling
- ? Professional and confidential service

? How To Start

Send us the exact @username you're interested in.

We'll review the username and let you know the available options for your claim.
