Thread: [A little cybersecurity poetry.](#)

Sift - October 9, 2026, 12:35 pm

Just wrote this poem what do you guys think?

Roses are red,
Violets are blue,
Once you read this,
Mr. Robot penetrates you. ?

Roses are red,
Violets are blue,
Your password was strong,
But Mr. Robot knows you. ?

Roses are red,
Your firewall is new,
You clicked "Enable Macros",
And Mr. Robot walked through. ?

I've read "penetrates you" in the wrong way, not the IT-related ? my brain froze for a second

I just woke up, I need a coffee first ?

Well at least we can see the vision you had ?

Our minds are just a little tainted and so we saw it in a different way first ?

I could only watch half a season myself tbh.

Laughing Man - October 13, 2026, 7:46 pm

I love Mr. Robot such a great show.
