Deany - October 11, 2026, 2:04 pm

Michael - October 11, 2026, 2:06 pm

Yes, we rally should, where he at?

DemonAsylum - October 11, 2026, 2:09 pm

Glad to see it finally up and yes I'll definitely be going for it. I'm a bit surprised it's still 30 threads being required, but on the other hand it's only 300 posts versus last year for instance was 500.

Deany - October 11, 2026, 2:10 pm

Now I have an excuse to grind for bytes for my sports book addiction.

Wake - October 11, 2026, 2:27 pm

Im going to give it ago, not to sure how successful I will be though.

Plenty of time, best of luck to ya.

Sift - October 11, 2026, 2:32 pm

Gonna give it a ago think maybe the 30 threads might be the hardest part.

The threads are definitely the toughest part. The 300 posts is down from 500-600 we've had in previous years too so not nearly as much on that front.

jcole - October 11, 2026, 2:33 pm

I don't see why I can't post my way to another pumpkin. The threads are always more annoying than the posts.

Deany - October 11, 2026, 2:35 pm

Agreed, threads always I struggle with lol.

Agreed. You have to put more thought and time into threads short of them being generic, repeats, and just like a sentence for instance. Though I expect to see plenty of those still lol.

My threads are definitely going to be a line of threads like [Deany](#) in the lounge.

I expect to see that from multiple people, it's inevitable. The only way that wouldn't happen is obviously if staff stepped in to draw a line about such threads.

I'm a big fan of the color as well. Might overtake the spot for my favorite pumpkin. Hard to compete with the one from last year though.
