I was once walking with my laptop open, tripped, dropped it, and snapped it in half... It still hurts to think about. Anyone else have stupid fuckups?

Drewradars - October 12, 2026, 3:51 am

My dads patek wristwatch

Deany - October 12, 2026, 3:52 am

Most expensive thing to break was a macbook I had.

Thinking more about it think the most expensive thing I have broken was my ankle has cost a lot in personal life.

Oh_Well - October 12, 2026, 6:30 am

Breaking a laptop in half was literally my worst nightmare. That's why I also got a Lenovo Yoga pro, especially for when I'm travelling haha

Russian bear - *October 12, 2026, 6:55 am*

my heart , my heart was broken.

Eran - *October 12, 2026, 7:24 am*

Probably my TV during this years World Cup lol, a lighter been thrown at it

Hern - *October 12, 2026, 9:54 am*

Probably one of my custom keyboards a few years back.

Only about 45 of them ever made and weighed about 18 pounds. No way to repair it since the parts were nonexistent after the fact on the PCB motherboard
