Thread: [If you could add one holiday to the calendar, what would it be and how would we celeb](#)

Fish - October 12, 2026, 3:45 am

Mine is a "National Nap Day" in the middle of the week. Everyone gets an afternoon off to recharge. What's your holiday?

Sift - October 12, 2026, 3:46 am

National Fuck my Employer day whole day of vacation and spend time with your family.

Would you fuck your employer on that day? or would you fuck your employer then spend the time with your family as well?

Benjamin Franklin should have a day honoring his inventions and findings. He's the only one I could think of.

Laughing Man - October 13, 2026, 7:55 pm

National "gamer" day, national holiday everyone's off work and we get mini-black friday pricing on an video game, and gaming equipment.
