Do you collect anything rare or unique ? Let's hear it!

Fish - October 12, 2026, 4:02 am

I like to collect money!! The new/unique coins with cool patterns and designs

STI's and Awards mostly.

But hardware, braincells, LLM's and watches also

Bastille - October 12, 2026, 4:06 am

Things related to IT, just bought 6 iMac G3 in different colors, I also have some old books about computers like from the 60's, also have an IBM magnetic tape used in the mainframes in the 70's

Love the STI's. Had a good laugh on this one.

Braincells... Do you grow them in a jar or something?

Some can even climb in value I've heard.

Unsure if that's also the case in what you collect.

Yeah I meant that.

Those price increases are crazy.

I collect the tears of the players I go against in games I play.

Jokes aside, I don't collect anything. I used to collect Yu-Gi-Oh! cards back in the day when I was a kid though.
