Congratulations to [DemonAsylum](#) for already finishing the challenge. That's some beastly typing right there.

Deany - October 12, 2026, 4:42 am

Wow that was quick. Wonder who gonna be #2

Bastille - October 12, 2026, 4:43 am

Getting the award on first day is crazy, congrats to Demon !

I'm not into a rush, I don't want to produce LQ threads and stuff, I'll probably be part of the last owners of the award haha

Yeah, coming up with that much stuff to post isn't easy.

Michael - October 12, 2026, 4:44 am

Yeah that's crazy how he managed to pull that off.

Au Jus Demon - October 12, 2026, 5:33 am

Bro no surprise there with how he was firing them off yesterday.

Sift - October 12, 2026, 5:35 am

According to Charlie Sheens tracker I'm 84 posts from completion.
And I'm number 2.

Hern - October 12, 2026, 10:02 am

Some of you are there with the quickness!

oRequiem - October 12, 2026, 6:23 pm

Demon is at it every year with us, I sadly started late because I completely forgot the award existed

Charlie Sheen - October 12, 2026, 6:45 pm

I knew he would probably be the first, I could see he was gearing up for it all month lol.

In the past [jcole](#) was an animal at it.

I remember, there was always a short list of people grinding awards like that including myself.

Yeah I remember you always showing up and knocking it out around the first day. One thing I know about Sleepy is he loves the grind.

Yeah, that's why I'm so close to being done right now ?

Wish I didn't forget that it existed this year though.

I think he just launched it yesterday or the day before so you're in time for it.

Ah this year it's so easy. 300 posts is cake. The 30 threads are the only challenge for me.

Easy for you, create a private board and make threads

Pretty much. I've tried to save a list of ideas, but don't have much.

Doesn't that technically work if you have a group on hf? Assume they're as active?
Idk if that even still works. But 300 is pretty easy compared to previous years.

Yeah it would if you have access to private SFs

Who cares about the public. It's the Admins you gotta watch out for

Edit: The Pact is the one you gotta really watch out for

Don't know about you, but posting LQ slop to get the award feels like cheating. Alright? This
back-and-forth chatter has gotten annoying.
