Thread: [What genre of music do you listen to?](#)

Sift - October 12, 2026, 5:20 am

Which genres of music do you like?

I like rap and pop r&b personally.

Michael - October 12, 2026, 5:30 am

Mostly Rap and Hip Hop.

Au Jus Demon - October 12, 2026, 5:31 am

I am a big metalcore fan. Pretty much any type of metal.

I grew up with my parents being classic rock listeners, and I really liked the heavier stuff and eventually started listening to more of the screaming.

My favorite is Trap Metal, but not many new trap metal songs since it's not a huge genre.

Peori0y - October 13, 2026, 1:33 am

Hardcore baby

I am getting back into electronic music at the moment. Loving it

Eran - October 13, 2026, 11:46 am

Hip Hop and EDM. Weird mix but yeah. I vibe mostly with hip hop but love me festivals and raves :)
