Thread: [Do pizza and fries go together?](#)

Deany - October 12, 2026, 7:13 am

I saw Pizza Hut was now offering fries with pizza... I think that is diabolical and don't really mix well lol. Do you agree?

Au Jus Demon - October 12, 2026, 8:09 am

Yeah I think they have gone too far with this one.

Danxy0 - October 12, 2026, 8:24 am

Absolutely not. You will be fat in one week eating this :)

Michael - October 12, 2026, 8:26 am

It's kind of crazy to eat these two together yes.

Cosa Nostra - October 12, 2026, 8:28 am

Yes and honestly it tastes amazing. In Italy they have that Pizza and it is called "Americana".

Michael - October 12, 2026, 8:30 am

Fries on Pizza in Italy?

Haven't seen that before.

Mr. Richie - October 12, 2026, 8:38 am

I eat Margherita Pizza with fries above and red sauce. I like it a lot. It mixes really well.

Ezake1 - October 12, 2026, 9:31 am

This is the most american shit ever

Fish - October 13, 2026, 2:47 am

nope. not at all. once i got potatos on pizza. that didnt go together either. never getting that again. but one time i had pasta on pizza... that was fun

Cosa Nostra - October 14, 2026, 8:45 am

Yes! Atleast in Sicily, that is where I come from :)

Lefty - October 15, 2026, 5:38 am

Possibly separately yes, but I have never tried. I think ill give it a go
