Who here is excited for Season 2 of Dexter: Resurrection coming at the end of the month?

I'm so excited for the new season. Looks like we're gonna get a lot of plot twists.

I have been counting down the days since the end of the last season. I can't wait. I'm a bit torn, part of me is glad they are splitting it up an episode each week, the other half is upset I can't binge the entire new season in a weekend.

Yeah in a way I prefer it. Carrie just came out on Amazon over the weekend and I binged it in 2 days and wish I had more to watch.
