Thread: [Trunk or treat](#)

Yin Yang - October 12, 2026, 7:03 pm

Now I get it with COVID and why they started doing this, but why is trunk-or-treat still a thing?

I remember being a kid, actually getting scared, and having to go house to house with my pillowcase to get candy. That was the whole experience. This trunk-or-treat shit just ain't it.

Trunk or treat is lame as hell. I used to roller skate neighborhoods with a pillow case.

I'm assuming it's a trunk with candy in it vs ring the doorbell?

Seems kinda creepy to be offering children candy from a trunk of a car.
