What is your current go to podcast?

I like the journal by WSJ among some other ones.

Not a podcast guy, but i've tried a few and nothing really clicked with me

Sift - October 13, 2026, 2:24 am

Not really a podcast guy don't like them.

Don't think I'd give a time of day for a podcast to be honest.

Lately I have been listening to Murder in America.

Joe Rogan or Theo Von when they have someone on that I like.

It's easy when doing tasks or so.
Just get the earpods in and start listening.

Enjoying that one in America?
I'm into true crime, but depending on how it's brought.

I like it a lot. The stories are well told and it seems they do a lot of research going into each episode. I tried a few before I landed on this one.

How do you even focus on the task while listening to a podcast.
