Expect some bugs first couple days while I continue working on it.

But it's working well enough for the moment.

The great Convo returns, great work thank you, lets get back to flipping!

Motusora - October 13, 2026, 5:23 pm

as of now, tagging users doesn't work.

great work btw

Mix - October 13, 2026, 5:30 pm

lets go the og convo is back in action and I know improvements are to come!

Motusora - October 13, 2026, 6:15 pm

what do you think about adding some animations when you rain or flip ?

like youtube's sub button for example.

Thanks for the work achieved on that feature, I might give it a try even if convo is a PTSD for me ?

Jamika - October 14, 2026, 12:55 am

The best thing is that the topics posted in the chat don't disappear as quickly as they used to. I'm glad the convo is back!
