Thread: [Delete post button removed?](#)

jcole - October 17, 2026, 7:37 am

Anyone else notice that you cannot delete a post anymore?
? loading encrypted image...

Motusora - October 17, 2026, 7:38 am

i still see it

? loading encrypted image...

i see now , in some sections it's still there .
like in [Group and Crew General Discussions](#)

DramaKing - October 17, 2026, 7:40 am

I haven't.

Oh yeah, my observation skills aren't very good.

Yeah, not sure if this was a recent thing or something to do with the server migration.

Omniscient - October 17, 2026, 10:31 am

Is it all sections?

Logic might be effected by some AI changes.

I have to use [Tester](#) account once you provide me enough info and I'll look into it. Please note that HF has many restrictions on the ability to delete a post. If it's an older post, that might be the issue.
