Thread: [What has been your best crypto investment this year?](#)

Pimping - October 19, 2026, 7:31 pm

I am mostly in stables but i guess BTC for me.. added a little bit in the late \$50ks

Always Sad - October 19, 2026, 10:01 pm

I was messing around on Coinbase buying tokens and holding.. I got lucky and found VVV (Venice Token) Tripled my investment!

Yin Yang - October 20, 2026, 7:07 am

On Fomo with memes , Frong was my top

but I am not as much active anymore. Just holding my positions in: BTC, ETH, SUI, SOL and Link.
A just a couple of SUI tokens, WAL & DEEP

Costanza - October 20, 2026, 7:34 am

SUI did well for me got a 75% profit on a huge chunk all in'd it lol. bought again the other day at 94c hoping we go up more. might sell again soon

bubblebutt - October 20, 2026, 8:35 am

Best investment was my own money printer; Got involved in the project when it was trading 100-135\$, been invested ever since, now its like 530\$++ XMR all day err day.

Dark Skin - October 20, 2026, 6:15 pm

Hyperliquid all the way baby

Pimping - October 20, 2026, 9:10 pm

I was gonna buy Hyperliquid when it was in the \$20 area lol
probably my biggest crypto fumble... wouldve bought a sizable amount too. I really didnt expect it to perform as good as it has

DOG - October 21, 2026, 8:02 am

Easily Pumpcade, by the way check their twitter. Love their project and what their building.

Afweyne - October 21, 2026, 10:58 am
