Thread: [Feel free to do anything to this site as I'm done with it](#)

NLPLegacy - August 24, 2010, 9:48 pm

<http://havocgamerz.com>

I wanted to switch but don't feel like it. I'm just going to keep it up for you guys to do anything you want with it. Idc what happens. I'll keep paying for host if I see something has happend to it otherwise, I'll shut close it.,

Enjoy :D

StephhhX - August 24, 2010, 9:58 pm

why dont you want this site no more :O?

`P R O D I G Y™ - August 24, 2010, 10:00 pm

Good that you have a site where you don't care if it gets exploited. Maybe it'll teach some people, but here I go! I'm giving it a shot

(Aug 24, 2010 09:58 PM)StephhhX Wrote: [\[CITE\]](#) why dont you want this site no more :O?

I already have a better one thats doing better than this one. I hate the name also. I might just cancel the domain and switch to a free one but we'll see what happens.

Go ahead Prod. Teach people on it, I don't really care. Enjoy

`P R O D I G Y™ - August 24, 2010, 10:07 pm

Will you ever mind restoring it so others can learn too?

Boblarson - August 24, 2010, 10:08 pm

LOLLOLLOLLOL FINALLY NLP GOT OWNED (for like the 5th time...)

NLPLegacy - August 24, 2010, 10:10 pm

Bob you and pvhax fail so much. And guess what I don't really care if it got hacked. I'm bring it back up as we speak.

And Prodigy, I'll try to restore about every week

StephhhX - August 24, 2010, 10:28 pm

Emm Could You PM Me Please :\$?

`P R O D I G Y™ - August 24, 2010, 10:31 pm

Okay, well that'd be really cool if you turned it into a directory of sql injectable pages for those to learn

NLPLegacy - August 24, 2010, 10:38 pm

Prodigy read your pm its important and Stepphhx I can't pm you disabled it

`P R O D I G Y™ - August 24, 2010, 10:42 pm

I haven't recieved one from you, unfortunately but after it's sent please continue to speak there and not here.

NLPLegacy - August 24, 2010, 11:13 pm

Read Please **`P R O D I G Y™** Today, 01:11 AM

I did send it

BioDevil - September 7, 2010, 5:20 pm

clear

Meh. Cbf to post this topic is old.

(Sep 7, 2010 05:20 PM)BioDevil Wrote: [\[CITE\]](#) This is not his site. Its mine. He's trying to get people to hack it.

Anyone who hacks this site will get a nice surprise from the ic3.

OMGOMG A SURPRISE FROM THE IC3???? IM SCARED NOW I DONT WANT TO HACK IT!!!

_-

Judging by that message, you think you have his IP? Thats great you have "his" IP, you do know its probably an offshore VPN, right?

Now I want to hack it now just to piss you off and to show you how litte the IC3 will do for you ?

BioDevil - September 7, 2010, 5:33 pm

Post was a joke...lol. ic3 doesnt do shit.
